THE RIFLE ASSOCIATION.

On Wednesday evening last the annual meeting of the Saskatchewan Rifle Association was held in the town hall. From the large attendance of members and the very favorable report of the treasurer, it shows there is more interest taken in shooting than any other pastime.

About 8.30 p.m. the president, Mr. J. L. Johnson, called the meeting to order and explained the position in which the association now stands with regard to the rifles loaned from the Government, and stated that the Government demanded a bond as security. The secretary, Mr. Stephen Brewster, then read the minutes of the former meeting, and the treasurer's report which showed a balance on hand of about \$80.00. After discussion, it was decided that the executive take full charge of the rifles and that the president and secretary sign the Government bond on behalf of the association.

On motion of Mr. T. J. Agnew seconded by Mr. A. R. Burns, it was decided that no ammunition be sold or issued before or after the issuing or recall of the rifles. This was a very important question, as it was suspected that some members got ammunition for other purposes than that which it was really intended.

Communications and telegrams were read about the granting of a range to the association, but being in a rather unsatisfactory shape, it was decided the secretary should write our member at Ottawa, asking for fuller information.

Mr. John Stewart, the representative member in the Dominion Rifle Association at Ottawa, addressed the meeting at some length, congratulating the association on their success and financial standing, and explaining the benefits of such an organization.

The only business remaining was the election of officers, which resulted in the present president and secretary retaining their offices by acclamation. Those elected were:

President, J. L. Johnson.
1st Vice-President, T. E. Baker.
2nd " " L. J. Pritchard.
Sec'y Treasurer, S. Brewster.
Asst. Secretary, T. J. Agnew.
Representative Member, J. Stewart.
Executive Council, J. W. Hurd; D. Williamson, A. R. Burns, J. D. Mavery, Jas. McKay, J. McTaggart, G. Gervais, H. W. Newlands, J. F. A. Stull and D. J. Gunn.

Auditors, J. Stewart, T. N. Campbell.
On motion of J. Stewart, seconded by J. McTaggart and carried unanimously, that this association do, in consideration of the able manner in which he performed his duty and the untiring energy he has displayed in furthering the interests of this association, donate to the secretary the sum of \$25. Mr. Brewster very reluctantly accepted the offer and thanked the association very heartily. After a short speech from the chair as to the benefits of the association and congratulating them on their success, the meeting adjourned.

TOWN COUNCIL.

The Council met in the council chamber on Monday last. All the members were present except Coun. Davis. His worship Mayor Bain in the chair. Besides the reading of the minutes of the last meeting and the introduction of a by-law to regulate transient traders very little business was done. The time was principally spent in discussing technicalities, neither beneficial to the council nor the town. One of the councillors seems determined to retard business rather than advance it. It is a great pity that any member of the Council Board should prove to be an obstructionist. Every member was elected to attend to and advance the interests of the town rather than being the means of beginning a petty squabble, which will now no doubt continue until the end of the year. We do not intend to spare any member of the council in future. We will give credit to whom credit is due, and those who need the cash will get it. We would like to see the business of the town done in an amiable spirit, and all questions discussed fairly and freely and upon their merits without any red tapism.

ARITHMETIC.

Lucas. "So you are really engaged to him, don't you? He is forty, you say, and you are twenty—just twice as old as you love. Dear me, when you are forty he will be eighty!"

Clara. "Good gracious! I hadn't even thought of that!"

AGRICULTURAL SOCIETY.

The annual meeting of the Lower Agricultural Society was held in the town hall on Tuesday Jan'y 31st. The President, Mr. Wm. Plaxton, in the chair. After a few remarks from the president, the minutes of the former meeting were read and adopted. The Sec. Treasurer's report was also adopted.

The election of officers now being in order it was decided on motion of John Stewart seconded by A. L. Sifton that the election be by ballot.

Capt. Craig and Thos. McKay were proposed and balloted for, and resulted in the election of Mr. McKay to the presidency for the present year.

Messrs. Jas. Thompson and Wm. McBeath were elected 1st and 2nd vice-presidents respectively.

The Rev. Mr. Howard was elected Sec. Treasurer unanimously.

After considerable discussion the following were elected a Board of Directors: Wm. Plaxton, Wm. Miller, Jr., Capt. Hony, James Macarthur, Wm. Lyttle, John Stewart, R. J. Pritchard, Wm. Miller, Jr., and Chas. Adams.

Moved by Capt. Craig and seconded by T. J. Agnew that a testimonial be presented to Mr. A. H. Clark, the former secretary, for his efficient services in the past. Carried.

On motion of J. Stewart and seconded by J. R. McPhail that Thos. McKay, Capt. Craig, and J. Macarthur be a committee to consult with the committee from the council re representation, and report at the next general meeting. Carried.

Moved by Capt. Craig, seconded by Dr. Porter, that a vote of thanks be tendered the retiring president, Mr. Wm. Plaxton, and that the same be recorded in the minutes. Carried.

A vote of thanks was also tendered the retiring vice-presidents, Capt. Craig and Mr. Chas. Adams, on motion of J. Stewart seconded by Jas. Macarthur.

The meeting then adjourned.

We believe the members of the masonic fraternity are negotiating with Sheriff Hughes to rent his house to hold their meetings in.

GENERAL NEWS.

OTTAWA, JAN. 28.—The appointment of Mr. Shook-speare, ex M. P., as post-master at Victoria, B. C., is gazetted.

Englishmen here have been sent the following cablegram to Belfast, Chief Secretary for Ireland: "Herd not the ravings of Ottawa Fenians. England and Englishmen everywhere expect you to do your duty to the empire."

Lady Lansdown distributed presents to the employees of the Government house to-day, according to annual custom.

TORONTO, JAN. 29.—Yesterday was the day fixed for Arch. Campbell, provisional liquidator, to file a statement of his position in connection with the Central Bank, but he didn't do so and the court will compel him to do so to-morrow. The revelations before the master yesterday showed there was a wicked plot to ruin the bank, the principal figures being Cashier Allan, R. G. J. Bennett, E. S. Cox and others. The directors do not seem to be guilty of crime, only lackness of administration. D. Mitchell Macdonald, ex-director, who absconded, assigned his estate for the benefit of the bank's creditors. It was nominally worth \$200,000, but probably will not reach more than half that at the outside. Bennett's brother states that if he is granted protection of the court he will return and give startling evidence as to how the bank was wrecked.

CAVENDISH, Ont. Jan. 29.—The petition against the return of Montague in Parliament was dismissed on Saturday with costs. The gets are greatly mortified over the result, as they were confident they would be successful. Dr. Montague is congratulated on all hands.

CHICOUTIMI, Que. Jan. 29.—Bishop Racine died suddenly of hemorrhage. The funeral will be next Saturday.

WINNIPEG, Jan. 29.—The Call says no fewer than 58 Reform purists have been unseated since Confederation, as against 24 Conservatives. Eight of these men who hold up their hands in holy horror at the very thought of corruption have been disqualified, while only one Conservative shared the same fate. And yet the Conservatives are charged with corruption, and the Liberals boast of their purity.

TERRITORIAL NEWS

REGINA.

A child of Dr. Cold, surgeon of the mounted police, while playing with a sword on Friday, partially strangled it. It happened while this morning, when it died.

Lieut. Geo. Dewdney left on Friday for Ottawa. He will dine with the Gov. General on the 18th. Several petitions have been sent to the Government asking for the re-appointment of Lieut. Geo. Dewdney for another term.

One hundred and seventy-five people attended the banquet here last night. Mayor Hamilton occupied the chair and ex-mayor Mowat the vice-chair, and J. W. Smith the second vice chair. Mr. W. R. Scarth sat on the right of the chairman. The banquet was a grand success.

EDMONTON.

From the Bulletin, Jan. 21.

Cecil Courtville, who escaped from the police last fall while being taken to the penitentiary for the murder of his step-mother, is back home at Lesser Slave lake following his ordinary way of life. The people there think it would be unjust of the authorities to attempt to take him into custody again, as they hold the opinion that he did nothing wrong; but it is not understood that they propose to resist should the attempt to retake him be made.

FORT MACLEOD.

From the Gazette, Feb. 1.

H. W. Savery had a narrow escape from drowning at Kipp on Sunday. He was crossing on the ice with a horse when the latter broke through. Mr. Savery clung to the horse's neck, and with the assistance of friends on shore got out safely.

Under the continued influence of the warm chinook, which sent the water over the ice, the ice in the river wore away very rapidly, and on Saturday gave way. All the rivers throughout this part of the country are either entirely broken up, or are so nearly so, as to render it impossible to cross them. The 25th of January is pretty early for the rivers to break up. On Monday Sept. and Mrs. Neal crossed on a nice strip of ice at Kipp. But the water was running over it three feet deep, and it was very unsafe.

A large number of Indians came whooping and yelling into town from the Blood reserve on Monday afternoon. The Indians throughout Treaty 9 are much agitated and disturbed over the several Indians who have been shot by white men during the past year, and are bent on making some kind of a demonstration. We have heard it rumored that a great meeting of the Bloods, Blackfeet and Peigans was to be held to discuss the matter. It is about time for the eastern papers to get up the annual spring out-break, and this will give them good ground to work on.

LETHBRIDGE.

From the News Feb. 2.

The cricket and lawn tennis season commenced on Monday.

Calgary is agitating for the removal of the N. W. M. P. headquarters from Regina to this place.

The Grand Lodge of Manitoba A. F. & A. M. has received petitions for the formation of new lodges at Lethbridge and Assiniboite.

As it was expected the crossing of the river would be dangerous on Monday the stage went down on Sunday morning and crossed over to the other side.

Mr. Ben. Whitney, who has the contract for supplying the ice to the N. W. M. P., is lamenting the disappearance of the ice, and there is little probability at present of his being able to fulfil his contract.

CALGARY.

From the Herald, Feb. 2.

As Wiggins forecasted, 140 gallons of oil were captured on Stephen avenue west, yesterday, and spilled shortly afterwards on the baroque square. Fifty worth perished—"so young and yet so fair!"

A petition is being hawked around town asking the corporation to try the band at procuring natural gas. It will only cost the citizens \$7,000 to make the

experiment, and the financial standing of the town is away up. This on the face. But note this, ruthless economy.

Mr. E. E. Fox, of the Canadian Historical Publishing Company, of Montreal, is now collecting information on the statistics and industries of the Northwest Territories, to be published about the 1st of July next.

The Town and Board of Trade Councils will put their heads together to-morrow evening in the Royal Hotel at 8 o'clock, to consider the best shape in which to place Calgary's budget of demands on the Dominion Government. The motion asking that Regina be moved on wheels to section 16 close to the Bow and Elbow rivers is postponed for a week.

QUAPPILLE.

From the Pallade, Feb. 2.

The trail between here and the station is becoming very bare of snow.

On Tuesday afternoon the thermometer indicated a temperature of about 50° above zero.

Sergeant Braden killed a coyote on his way to town from the barracks on Thursday last.

The election on Monday of a representative for ward No. 6 in the municipal council resulted in the return of Mr. Thos. Kavanagh.

The Rev. Mr. Robson went to Indian Head to officiate at the funeral of the late Rev. D. Beas, who died rather suddenly on Monday morning, after a brief illness of congestion of the lungs.

At the meeting of the Grand Lodge of A. F. & A. M. held in Winnipeg, the following officers were elected: M. W. Bro. T. Clarke, Winnipeg, re-elected Grand Master; R. W. Bro. J. A. Ovas, St. James, D. G. M.; R. W. Bro. D. J. Goggin, Winnipeg, J. T. Carr, Minnedosa, A. Burns, Brandon, and H. Siker, Assiniboia, D. P. G. M's.

WINNIPEG, Feb. 6.—At the H. B. Co.'s sales in London, Eng., on the 30th Jan. beaver declined 20 per cent. At Lampson's sales on the 31st, lynx declined 25, martens, 10, and mink, 20 per cent. The fur market is reported to be completely demoralized.

Manitoba cutlers carried off nearly all the prices at the St. Paul central. They brought home 14 out of 16 prices.

Wolsley is the dairy produce depot of the Northwest. Upwards of 100,000 pounds of butter and 10,000 dozen eggs were shipped west from there last year.
